

Thank you for your interest in the Division 53 fellow application process. Listed below is the process for applying as a Current Fellow to Division 53. You may also wish to consult the APA web site [<http://www.apa.org/membership/fellows>] for further information about fellow applications.

Applicants who are Current Fellows will need to complete the following materials and return them electronically via email to Karen Roberts. Please note that electronic completion of the Uniform Fellow Application form requires Adobe Acrobat Standard (not Reader). If you do not have access to this software, you may print and complete this form, then scan the document for email submission to Karen Roberts.

What you need to do:

1. Complete the Uniform Fellow Application: this is an interactive pdf form (attached) that you can complete electronically, save, and return with your fellow packet via email.
2. Submit a brief curriculum vitae with your 10 most significant publications (less than 5 pages) and return with your fellow packet via email.
3. Write a one-page statement detailing your contributions to the field of clinical child and adolescent psychology and return with your fellow packet via email.

You do not need to obtain letters of support.

Return the materials via email to Karen Roberts, [APAdiv53@gmail.com](mailto:APAdiv53@gmail.com)

To be considered in the next cycle, your application needs to be returned by **November 15**.
